ATLANTA, GEORGIA, UNITED STATES, November 8, 2024 /EINPresswire.com/ -- "Feeling Like Money" draws inspiration from the vibrant nightlife of downtown Chicago, where the skyline shines with the brilliance of a diamond as viewed from space. This composition offers an exceptional fusion of traditional and contemporary elements, featuring modern drum patterns intertwined with the smooth 1990s Chi-town aesthetic, which was popularized by artists such as Twista and Do or Die. The track also incorporates distinctive influences from Cameo, promising to elevate the auditory experience.
