“

We are thrilled to announce the launch of the new GiftList mobile app ahead of the 2024 holiday shopping season.”

Jonathan Jaklitsch, GiftList CEO

GiftList is the ultimate gifting solution for 2024 and beyond.

The GiftList app is perfect for anyone looking to streamline their holiday gifting, organize their wishlists, or even manage registries for weddings, baby showers, birthdays, and more. With over 200,000 users globally, GiftList has made it easier than ever to handle holiday shopping in a single, intuitive app.

Key Features to Make Holiday Gifting Easier:

1. GiftList's new app is packed with thoughtful features that set it apart from traditional wishlist tools. Here are some of the top features designed to make gifting effortless this holiday season:

2. Universal Gift List Maker: Add items from any online store to your gift list, seamlessly integrating all your favorite gifts in one place, whether they're from a big-box retailer or a small boutique.

3. Curated Gift Guides: Not sure where to start? GiftList offers curated gift guides based on

recipient, interest, and occasion, making it easy to discover a range of hand-picked gifts for any personality or preference.

4. Follow Friends and Family: Stay connected by following friends and family on GiftList. Discover their public wishlists and be reminded of upcoming birthdays and special occasions, helping you make each gift extra special.

5. Reservation System to Avoid

Duplicate Gifts: No more duplicate presents! When friends and family buy from your list, items are marked as purchased, ensuring no one else buys the same gift.

6. Easy Sharing without Required Accounts: Share your gift list with friends and family without requiring them to create an account. They can view, reserve, and buy from your list with just a link, making it convenient for everyone.

A New Gifting Standard – Free, Easy, and Available Everywhere:

With GiftList, users enjoy the flexibility of managing gift lists from both mobile and desktop, syncing seamlessly across devices. GiftList's app is free to use and offers a smooth, user-friendly interface designed to take the stress out of holiday shopping. Perfect for all ages and occasions, GiftList is ideal for organizing gift exchanges or managing holiday shopping lists with ease.

"We designed GiftList to help people enjoy the holiday season by making gift-giving simpler, more organized, and, above all, enjoyable. With our app, users can focus more on celebrating with family and friends and less on the stress of shopping," said Jonathan Jaklitsch, CEO of GiftList.

How It Works: The GiftList Gifting Experience

1. Create Gift Lists: From holiday wishlists to special occasion registries, GiftList allows you to organize gifts for every event.
2. Add Gifts from Any Website: Browse and add gifts directly from any online store, right from the GiftList app.
3. Discover New Gift Ideas: GiftList's curated guides take the guesswork out of finding the perfect present.
4. Share with Friends and Family: Use a unique list link to share with loved ones, who can reserve items without needing an account.

GiftList: The easiest way to exchange gifts with friends and family for any occasion.

5. Surprise Control: Keep the surprise alive! With GiftList, you can choose when to reveal gifts, ensuring a delightful holiday experience.

Why Choose GiftList?

GiftList has become a trusted platform for gift-givers and recipients alike, with users worldwide benefiting from its convenient and flexible features. Here's why GiftList stands out:

1. No Duplicate Gifts: The app's reservation system ensures that each gift is unique and thoughtfully chosen.
2. Cross-Platform Flexibility: Use GiftList on both mobile and desktop, making it easy to organize gifts wherever you are.
3. Free and Accessible: GiftList is free to download and use, with no hidden fees or account requirements for list viewers.
4. A Special Tool for the Holiday Season and Beyond

With GiftList's mobile app, anyone can organize their holiday wishlists and registries with just a few taps. The app is more than just a wishlist tool—it's a community-driven platform where users can connect, share, and discover. This holiday season, GiftList offers an ideal way for friends and family to come together over gift-giving, helping everyone find the perfect presents for their loved ones.

Available now on the App Store, GiftList invites you to join the movement and start creating your holiday wishlists. Download GiftList today and experience the convenience of organized gifting.
