

# AI4CES Launches AI Publishing Formula Course

*A Complete Publishing Solution for Entrepreneurs and Small Businesses*

LOS ANGELES, CA, UNITED STATES, November 8, 2024 /EINPresswire.com/ -- [AI4CES](#) proudly announces the exclusive beta release of the [AI Publishing Formula](#) Course, a comprehensive program that empowers entrepreneurs and small business owners to achieve their dreams of writing, publishing, and marketing their own book. With 182 lessons (and growing daily), the course is available now for a limited-time lifetime access rate, featuring all AI4CES books, including the AI Author's Advantage series, The Accelerated AI Author series, Holistic AI series, and the AI4 series.

Developed by AI4CES CEO Jamie Culican and CMO Melle Melkumian, the AI Publishing Formula Course brings together everything business owners need to successfully write and publish a book that enhances their brand, reaches new audiences, and establishes them as industry thought leaders. From content creation to brand storytelling and advanced AI-driven marketing techniques, this course is designed to make book publishing accessible and achievable for any business owner.

"Many entrepreneurs have incredible stories and insights to share, but the complexity of writing and publishing holds them back," said Jamie Culican, CEO of AI4CES. "Our AI Publishing Formula Course provides a clear path to overcome these challenges, offering hands-on guidance in every stage of the journey with the power of AI. And with access to our complete library of AI4CES books, participants gain invaluable resources to deepen their understanding and amplify their
