Our goal is to help healthcare organizations address contract pain more effectively by combining LegalSifter's AI with HorthySpringer's healthcare expertise.."

Kevin Miller, CEO

This curated package of contract templates and negotiation playbooks is designed to support hospitals and health systems through each stage of the contract lifecycle—from drafting and negotiation to post-signing oversight.

Expert Guidance for Faster Implementation

The Healthcare Package helps Hospital & Health Systems streamline contract processes with ready-to-use templates

and playbooks developed by healthcare law experts at HorthySpringer. Aligned with industry standards, these resources enable organizations to confidently manage complex contracts while reducing risk.

"Our goal is to help healthcare organizations address contract pain more effectively," said Kevin Miller, CEO of LegalSifter. "By combining LegalSifter's AI with HorthySpringer's healthcare expertise, we've created a solution that meets the real, day-to-day contract operations challenges in the healthcare sector."

Dan Mulholland, Partner at HorthySpringer, added, "By merging our healthcare-specific legal expertise with LegalSifter's contract operations AI software and services, we're providing a solution that simplifies contract management and strengthens compliance from start to finish."

What's Included in the Hospital & Health System Package

Agreement Templates including Physician Employment Agreement, Physician Personal Service Agreement, Business Associate Agreement, Mutual Nondisclosure Agreement, and

Amendments.

Negotiation Playbooks covering Business Associate Agreements & Addendums, Real Estate Leases (Tenant), Consulting and Equipment Leases, SaaS, EULA, and General Terms & Conditions.

The Healthcare Package can be added to LegalSifter's Contract Control Program, providing hospitals and health systems a flexible solution to manage contracts efficiently, reduce risk, and meet compliance requirements.
