-- U.S. Acting Secretary of Labor Julie A. Su recognized Abile Group as one of the 839 recipients of the 2024 HIRE Vets Medallion Award during a virtual award ceremony presented by U.S. Department of Labor on October 31, 2024.

Earning the HIRE Vets Medallion for the fifth year highlights our commitment to our veterans. They've given so much, and we're honored to support their career growth and continued impact."

Cara duCellier, President & CEO

Abile Group earned the Platinum award after applying earlier this year. The Honoring Investments in Recruiting and Employing American Military Veterans Act (HIRE Vets Act) Medallion Program is the only federal award program that recognizes employers who successfully recruit, hire, and retain veterans. Over 50% of the Abile Group team has proudly served in the U.S. military. In 2023, nearly 50% of Abile's new hires were veterans, and they retained 100% of their existing veteran employees. Veterans bring resilience, leadership, and a mission-driven focus that align with Abile's values and enhance their ability to deliver exceptional results for clients. Together, they are building a

strong, capable team driven by purpose and a shared dedication to excellence.

Abile joins 838 other companies from 49 states, plus the District of Columbia, that have shown a commitment not only to hiring veterans but also to ensuring they have long-term career paths and growth opportunities that leverage the diverse skills acquired during their military service. Recipients of the 2024 HIRE Vets Medallion Award meet rigorous employment and veteran integration criteria, including veteran hiring and retention rates, availability of veteran-specific resources, leadership programming for veterans, dedicated human resource efforts, and compensation and tuition assistance programs for veterans. Since 2019, more than 1,600 employers have earned a HIRE Vets Medallion Award. To learn more, watch the [2024 HIRE Vets Ceremony](#), check out the list of [2024 HIRE Vets Awardees](#).
