

Canobie Lake Veterinary Hospital Crowned AAHA-Accredited Practice of the Year

AAHA honors the Windham, NH, hospital for its exceptional contributions to the AAHA community and the veterinary profession.

LAKWOOD, CO, UNITED STATES, November 8, 2024 /EINPresswire.com/ -- The American Animal Hospital Association (AAHA) is thrilled to announce that Canobie Lake Veterinary Hospital in Windham, New Hampshire, has been named the 2024 AAHA-Accredited Practice of the Year.

This prestigious award recognizes the outstanding achievements of AAHA-accredited practice teams, and Canobie Lake Veterinary Hospital has truly exemplified excellence in companion animal medicine.

In a field of highly impressive contenders, Canobie Lake Veterinary Hospital stood out for its unwavering dedication to patients and the team members who care for them. As a family-owned business, they have demonstrated a deep understanding of caring for families by caring for their pets.

Dr. Melissa Magnuson, founder, owner, and practicing veterinarian, has developed, trademarked, and executed Conscious Care™ and the Elevate Excellence Rewards programs, which are instrumental in developing and cultivating the culture at their hospitals.

These programs empower employees to grow into leadership roles at their own pace and provide a tangible system to facilitate individual and team recognition for actively pursuing growth through continued education and training, work efficiencies, innovations, gratitude, and individual responsibility.

Dr. Melissa Magnuson and her team from Canobie Lake Veterinary Hospital receive the AAHA Accredited Practice of the Year award from AAHA Board President Dr. Mark Thompson, during a ceremonial breakfast at AAHA CON, the annual conference of AAHA.

“We feel the magic happens when we focus on leading with curiosity, staying “above the line” and staying committed to learning,” explained Dr. Magnuson. “We close for two hours every Wednesday and do hospital rounds which focus on Conscious Care, team education, AAHA standards, relationship management as well as operational excellence.” This is foundational to providing excellence in medicine for pets and pet parents.

Canobie Lake Veterinary Hospital's commitment to excellence is evident in several key areas:

1. **Lifelong Learning:** The hospital team is deeply committed to providing continuous education and training for our doctors and staff, ensuring they are always at the forefront of the latest advancements in veterinary medicine.
2. **Open Communication:** By prioritizing keeping our clients informed every step of the way, they build trust and respect in our patient-client relationships.
3. **Prestigious Accreditation:** They take immense pride in our AAHA accreditation, underscoring our unwavering dedication to upholding the highest standards of veterinary care. Dr. Magnuson sought accreditation when she opened Canobie Lake Vet in 2005; she has been accredited for 17 years.
4. **Tailored Compassion:** They recognize the significance of delivering personalized, compassionate care for each and every patient. They focus on a spectrum of care, understanding that every pet and every owner are unique and deserve specialized attention.

AAHA is honored to recognize Canobie Lake Veterinary Hospital with this award for their outstanding contributions to their community and the veterinary profession.
