CARSON CITY, NV, UNITED STATES, November 11, 2024

/EINPresswire.com/ -- This Veterans Day, [Feeding Pets of the Homeless](#) pays tribute to the men and women who have served our nation, especially those who are now experiencing homelessness. For many of these veterans, their pets offer irreplaceable companionship and support. Feeding Pets of the Homeless is dedicated to ensuring veterans and their pets have access to essential resources, offering food, emergency veterinary care, and supplies that alleviate daily struggles.

“Many veterans face tough challenges when they return to civilian life, and for those without stable housing, a pet’s companionship can be a vital support system,” said Genevieve Frederick, founder and president of Feeding Pets of the Homeless. “At Feeding Pets of the Homeless, we work every day to ensure these heroes and their loyal pets have the resources they need. This Veterans Day, we thank our veterans and recommit ourselves to standing with them.”

The organization’s Veteran Pet Support Program provides veterans experiencing homelessness with pet food, supplies, spay/neuter services, and vaccinations. Since 2008, over 550 veterans have benefitted, including 209 who now have stable housing through the U.S. Department of Housing and Urban Development-Veterans Affairs Supportive Housing (HUD-VASH) program. However, many veterans and their pets remain unhoused, relying on Feeding Pets of the Homeless for critical care.
