EINPresswire.com/ -- Read Learning Center (RLC), a sister company of Read Academy Sacramento (RAS), has been honored with the Gold award for "Best Summer Camp" and "Best

Tutoring/Educational Services" by Sacramento Bee in their annual "Sacramento Favorites Reader's Choice" awards. This recognition underscores RLC's educational excellence and commitment to innovative learning.

“

We are thrilled to receive this recognition. This award reflects our dedication to providing top-quality educational services and helping every student reach their full potential.”

RLC provides evidence-based tutoring that bridges literacy skills and mathematical understanding, with summer camps praised for combining fun activities and strategies to prevent summer learning loss. Students retain essential skills while enjoying a camp-like experience.

Leah Skinner, M.Ed, Dyslexia Specialist and Administrator at Read Academy Sacramento, commented: "We are thrilled to receive this recognition. This award reflects our dedication to providing top-quality educational services and helping every student reach their full potential."

Key highlights of RLC's services include:

- Evidence-based tutoring in reading, writing, and math, including programs like Wilson Reading

System, Barton Reading and Spelling, Institute for Excellence in Writing, and Making Math Real methodology.

- Specialized reading remediation for students with dyslexia or delayed reading development due to other disorders such as ADHD.
- Academic summer camps focused on skill retention through engaging activities.
- Tailored support for diverse learning needs.

#### Award Details

The Sacramento Bee conducted voting for "Sacramento Favorites" over a week in August, with RLC standing out among 10+ summer camps and 15 tutoring services.

#### Community Impact

RLC serves about 65 families in [summer programs](#) and 50 in year-round tutoring. It also partners with Read Academy Sacramento for community outreach to raise dyslexia awareness.

#### Future Plans

RLC is planning expansions to new locations, extending its services to more families. Winning these awards helps continue spreading awareness of its mission.

#### Industry Trends

Leah Skinner added: "The Science of Reading, focusing on phonemic awareness and phonics, is central to our evidence-based approach, ensuring effective support for our students."
