[Technology](#) has been recognized as one of the 839 recipients of the 2024 [HIRE Vets](#) Medallion Award. This award was given by the U.S. Department of Labor during an annual virtual award ceremony on October 31. The Honoring Investments in Recruiting and Employing American Military Veterans Act (HIRE Vets Act) Medallion

Program is a federal award program that recognizes employers for successfully recruiting, hiring, and retaining veterans. This is RESULTS Technology's 5th year receiving this award, and the only IT provider to receive it in the state of Kansas. 29% of RESULTS' workforce is made up of veterans.

“

I'm so proud to be awarded this medallion for the 5th year in a row. It means a lot that RESULTS is the only managed IT provider in Kansas to receive an award like this.”

*Patrick Murphy, President of
RESULTS Technology*

“I'm so proud to be awarded this medallion for the 5th year in a row,” said Patrick Murphy, President of RESULTS Technology. “It means a lot that RESULTS is the only managed IT provider in Kansas to receive an award like this.”

RESULTS Technology joins 838 other companies from 49 states and the District of Columbia in committing to hiring veterans and ensuring that they have opportunities to grow and utilize the skills they acquired through their military service. Recipients of this Award must show that

they meet certain standards of veteran employment in several ways:
Meeting strict percentages for veteran hiring and retention.

Honoring Investments in Recruiting and Employing
American Military Veterans

Providing veterans with useful and specific resources
Planning leadership programming for veterans
Dedicating human resource efforts toward veterans
