"We are incredibly honored to be officially creating and producing "on the lot" within such a respected location on campus - the historic Clark Gable Building," stated Marvin Williams, Founder and CEO Big M Entertainment Pictures. "It allows us to position our creative talents and relationships further as we eagerly develop IP, independently, from our new Headquarters. We are both excited and humbled as Sony Pictures Studios is a creative juggernaut known for being a Best of Breed, Prestigious and World Renown Major Hollywood Studio with a wide creative reach spanning many areas of Entertainment delivered Worldwide," says Mr. Williams.

A true jack of all trades is emerging in Hollywood: – Mr. Williams is emerging as a true development executive with disciplines ranging from Writing, Directing, Editing and Producing with clients ranging from the NAACP Theatre Awards, Sony Entertainment, Monster Cables "Michael Jackson Tribute Concert, CES Las Vegas 2016" EP'd by Vassal Benford, The Golden Globes as a partial list. Mr. Williams has also provided writing and producing expertise on projects ranging from The Marvin Gaye Biopic – Sexual Healing, Dionne Warwick's Black Pearl, B.B King and numerous other projects in development. In recent years, Mr. Williams has

garnered the attention and respect of some of Hollywood's most revered Film, Tv and Music Executives.

"That last few years have come full circle and I feel truly blessed to have worked with some of the most prominent people in the business. From starting with BTS on projects ranging from Jimmy Iovine, Chris Brown, Kerry Gordy, Polow Da Don, Howie Dorough (of the Back Street Boys), Ne-Yo, Magic Johnson, Christina Millian, Dionne Warwick, The Jacksons, Nick Cannon, Damon Elliot, Mickey Rourke, Eric Roberts, Hosam Ibrahim, and many others. I am honored to have my career formed by such respected creative forces," says Marin Williams.

Big M Entertainment Pictures, with Mr. Williams at the helm providing his talent, vision and strategic relationships, is recognized by industry insiders as a truly unique, special and emerging hybridized multi-media studio that is considered a "one-of-a-kind media lab" now incubating, independently, on the Sony Pictures Studios campus. The company represents an unique business, creative and enterprise mix that is not duplicated on any other studio campus in Hollywood making Big M Entertainment Pictures a truly rare and intriguing endeavor.

Currently, Big M Entertainment Pictures, Mr. Williams and his associates have numerous projects in early and advanced stages of development with seasoned TV, Film, Music and Creative Executives.
