"Our Senate needs the proven leadership of Senator Rick Scott, who brought more than a million jobs to Florida as Governor. As the Senate majority leader, Senator Scott won't stand by and allow illegal immigrants to take over our communities and harm our kids. Americans deserve the truth; Senator Scott is committed to stopping censorship and First Amendment rights violations. He

won't back down to common sense pettiness by the far left. Say goodbye to men in women's sports. Senator Scott will lead the force to stop communist-owned companies from purchasing farmlands in America. As a longtime entrepreneur and business owner, Senator Scott knows how to bring more business and manufacturing back to produce more jobs and products in America. Our Veterans, servicemen, and all Americans need Senator Rick Scott to lead the force in the Senate to put Americans First." said Christi Tasker Florida GOP Committeewoman & VFAF National Ambassador
