## Advanced Head and Neck Cancer Treatments

Mr. Shakir's expertise includes Head & Neck cancer care, where he obtained valuable experience during his sub-specialty fellowship in Brisbane, Australia. His focus on early detection and treatment of tumours involves the use of innovative imaging devices to discover cancers at an earlier stage, giving patients a better chance of cure.

"I am glad to bring the latest technology and treatments to my patients," says Mr. Shakir, ENT Surgeon.

"By introducing new treatment methods for earlier cancer detection, we are giving our patients a stronger opportunity for recovery and best results for the long-term."

Mr. Shakir's dedication to ongoing learning and growth ensures that his patients receive treatment based on the latest advances in medicine.

## Medico-legal Expertise

Along with his clinical work, Mr. Shakir is a licensed medico-legal expert who provides expert witness services and reports for legal cases. His postgraduate expertise in the legal elements of medical practice enables him to deliver detailed, credible reports in a variety of medico-legal conditions. This service is essential for legal professionals who require expert advice on ENT-related issues.

## What makes Mr. Shakir special?

Mr. Shakir's mix of specialised training, years of experience, and patient-centred treatment marks him as a top ENT expert in the region. His work is based on qualification and practice including undergraduate study at the University of Bristol and postgraduate ENT surgery training in the Northeast of England and Wales. His position as the regional College Tutor for the Royal College of Physicians and Surgeons of Glasgow illustrates his dedication to teaching the next generation of doctors, ensuring that the future of ENT care is in competent hands.
