

Sofema Online launches Three New Security Training Packages for Industry Professionals

The comprehensive set includes Pax & Baggage Security, Airline Operations Security, and Airline Operations Quality & Safety Awareness

SOFIA , BULGARIA, November 11, 2024 /EINPresswire.com/ -- Sofema Online (SOL), www.sofemaonline.com, a trusted leader in aviation regulatory training, has unveiled a range of specialized security training packages designed to equip aviation

professionals with the knowledge and skills essential to navigate today's complex security landscape. These newly introduced programs cover core areas of aviation security, ensuring that personnel are prepared to address industry challenges with confidence and compliance. Each package offers a value-driven approach to accessing specialized aviation security training

[Pax & Baggage Security Package](#)

This package strengthens knowledge in handling dangerous goods and enhancing passenger and baggage security, offering four key courses:

Competency-Based DG Training – Screening of Passengers and Crew and their Baggage, Cargo, and Mail

Aviation Security (AVSEC) – Safeguarding Against Acts of Unlawful Interference

Aviation Security (AVSEC) Training for Passenger and Baggage Reconciliation (BRS)

Insider Threat in Aviation Security

[Airline Operations Security Package](#)

This package provides a foundational understanding of both aviation and cyber security and is ideal for non-security staff and those supporting secure operations. Courses include:

Aviation Security Introduction for Non-Security Aviation Staff

Aviation Security (AVSEC) – Safeguarding Against Acts of Unlawful Interference

EASA Compliant Organization Cyber Security Responsibilities
Insider Threat in Aviation Security

[Airline Operations Quality & Safety Awareness Package](#)

Focusing on proactive quality and safety measures, this package is ideal for those dedicated to maintaining high standards in aviation. It includes:

Aviation Security Introduction for Non-Security Aviation Staff
Aviation Security (AVSEC) – Safeguarding Against Acts of Unlawful Interference
EASA Compliant Organization Cyber Security Responsibilities
Aviation Security (AVSEC) Training for Passenger and Baggage Reconciliation (BRS)
Insider Threat in Aviation Security

Each package is designed to provide aviation professionals with valuable, practical skills for enhancing security and operational safety. For more information - team@sassofia.com
