

eCommunity™ Fiber to Celebrate the Future of Morrow with Ribbon Cutting Ceremony

eCommunity™ Fiber, is thrilled to announce the official ribbon-cutting ceremony for The Morrow District Fiber Network on November 19, 2024.

MORROW, GA, UNITED STATES, November 12, 2024 /EINPresswire.com/ -- [eCommunity™](#) Fiber,

This is just the first phase of a much larger Smart City initiative with the City of Morrow, so please come out and learn more"

Keith Quarles Jr., President of eCommunity Fiber

an open-access fiber network provider, is thrilled to announce the official ribbon-cutting ceremony for The Morrow District Fiber Network, an innovative infrastructure offering affordable, high-speed internet through multiple fiber & wireless provider options. The ceremony will take place on Tuesday, November 19, 2024, at 11:00 AM at The District at the Southlake Mall.

The event will bring together city officials, industry leaders, and community members to commemorate this

transformative and collaborative development. This milestone marks the completion of a significant project that has transformed the City of Morrow's first and new town center named "The District" into a cutting-edge smart town.

With the deployment of eCommunity™ Fiber's state-of-the-art fiber optic and wireless network, The District is now equipped with:

High-Speed Fiber Internet Connectivity: Businesses within The District will benefit from all symmetrical lightning-fast internet speeds, enabling them to thrive in the digital age.

Free Public Wi-Fi: Visitors and residents can enjoy complimentary Wi-Fi access throughout the district, enhancing the overall experience.

Enhanced LTE Environment: The district will feature advanced LTE technology, powering smart city initiatives like cameras, kiosks and terminals.

IoT Smart Sensors & Devices: An integrated LoRaWAN wireless network will enable City officials to test Internet of Things sensors and devices to determine the future of utility and transportation management.

The ribbon-cutting ceremony will be attended by Mayor John Lampl, Morrow City Council Members, the City of Morrow IT Director, Clayton County Officials, local businesses, and other distinguished guests and keynote speakers with an engaging agenda designed to highlight the positive impact of our enhanced fiber infrastructure.

Event Details:

Date: Tuesday, November 19th

Time: 11:00 AM

Location: The District, Southlake Mall at 1065 Olde Towne Morrow Rd, Morrow, GA 30260

“This is just the first phase of a much larger Smart City initiative with the City of Morrow, so please come out and learn more.” Keith Quarles Jr., President of eCommunity Fiber.
