

AEROMASTERS: Celebrating a Century of the American Fighter Pilot

Nominated for a 2025 Pulitzer Prize

BOZEMAN, MT, UNITED STATES, November 12, 2024 / EINPresswire.com/ -- Frontier Insights LLC today announced that the recently completed book [AEROMASTERS: Celebrating a Century of the American Fighter Pilot, Vol. I](#) has been nominated for a [2025 Pulitzer Prize](#). Co-authors Dino Garner and Liz Fetter expressed, "We are honored to have our work recognized in this way. The honor truly goes to the heroes we have profiled in the book and their courageous service to our country."

AEROMASTERS is a tribute to the brave men and women who have served over the last century. The museum-quality book features some of the most iconic and influential [fighter pilots](#), aviation luminaries and US Air Force pararescue jumpers from WWI to modern-day conflicts. It also includes original artwork and commemorative poetry, making it a must-have for aviation enthusiasts and history buffs alike. The 250-page volume represents over two years of original research, interviews with living military aviators and families of those passed, and original artwork development.

“

An unparalleled literary and visual masterpiece of American history.”

General John Jumper, 17th Chief of Staff, US Air Force

and other professional reviewers, who call the book “An unparalleled literary and visual masterpiece of American history.”

AEROMASTERS book cover
