"Skyshade" is the pulse-pounding third novel in the #1 "New York Times" bestselling series, the Lightlark Saga, by acclaimed author and BookTok sensation Alex Aster. The international bestselling series boasts more than 300 million views on TikTok, nearly 1 million copies sold, was a "New York Times" bestseller for over a year, and is soon to be a major motion picture. The latest installment in the blockbuster romantasy series brings higher stakes and deadlier matters of the heart—ones that could bring a kingdom to its ruin.

Director of Children's and Young Adult Publishing at RBmedia Andrea Wollitz commented, "Listening to the Lightlark Saga audiobooks is like stepping into a world where every word illuminates the imagination. Alex Aster masterfully weaves together fantasy, romance, action, and adventure in a symphony of storytelling, while narrator Suzy Jackson brings it all to life in

audio with her exceptional performance. We're delighted that our audio edition will enhance the listening experience of and foster greater book club participation by young adults."

"Skyshade" and the entire Lightlark Saga series is published on audio by Recorded Books, the company's flagship audio brand and in the UK and Commonwealth by the company's international publishing brand, W. F. Howes Ltd.

"Skyshade" is available for download on Audible, Spotify, Apple, Google Play, Audiobooks.com, and wherever digital audiobooks are sold.
