

Fetch Long Beach Welcomes First-Ever Veterinary Practice Ownership Symposium

GeniusVets is excited to hold its Veterinary Practice Ownership Symposium for the first time at the Fetch Long Beach dvm360® conference December 6, 2024.

LONG BEACH, CA, UNITED STATES,
November 11, 2024 /

EINPresswire.com/ -- [GeniusVets](#), a leading pet health information and veterinary marketing platform, is excited to hold its Veterinary Practice

Ownership Symposium, which will be featured for the first time at the Fetch Long Beach dvm360® conference, taking place December 6-8, 2024. Scheduled on December 6, from 11:00 a.m. to 5:30 p.m., the Symposium is designed to provide veterinary professionals with essential strategies and business insights to excel in practice ownership.

“

dvm360 is thrilled to bring our Veterinary Practice Ownership Symposium to Fetch Long Beach, offering essential leadership and business training to current and future veterinary practice owners.”

Dr. Adam Christman

Fetch conferences are known for delivering comprehensive education that supports clinical, management, and personal development. This year, Fetch Long Beach will include 170+ hours of CE with industry experts. The GeniusVets Veterinary Practice Ownership Symposium will add a targeted layer of learning for current and future practice owners, addressing essential topics such as leadership, financial planning, and team culture.

The Ownership Symposium has gained significant momentum over the past year, becoming a sought-after part of dvm360 events. [Dr. Adam Christman](#), Chief Veterinary Officer at dvm360, expressed his enthusiasm: “dvm360 is thrilled to bring our Veterinary Practice Ownership Symposium to Fetch Long Beach, offering essential leadership and business training to current and future veterinary practice owners. By equipping them with the skills to excel in both patient care and business management, we’re setting the foundation for more successful, resilient practices. This program represents a huge step forward in fostering sustainable growth and

innovation in our industry, and we look forward to partnering with GeniusVets for our future events in 2025.”

Dr. Michele Drake of The Drake Center highlighted the evolving nature of practice ownership: “Owning a practice is about more than clinical excellence—it’s about leadership, innovation, and building a supportive team culture. This symposium will empower practice owners with the knowledge and tools they need to thrive.”
