“

Attending Cybersenate fuels my passion for cybersecurity. Engaging with others in Railway OT who see the need for action—technical, legislative, and training—inspires me to spark change at my company.”

Summit Attendee

[UK/EU Summit & Awards](#), the premier global event dedicated to advancing cybersecurity within the rail industry, returns to London on March 11-12, 2025, at the prestigious Royal Garden Hotel. As the rail sector’s leading platform for cybersecurity innovation, the event promises two days packed with groundbreaking discussions, a showcase of the latest vendor solutions, and invaluable networking opportunities with top industry leaders.

Setting the Standard in Rail Cybersecurity

The Rail Cybersecurity Summit has established itself as the flagship event in the global rail cybersecurity arena, attracting the highest number of C-level executives,

advanced vendors, and subject matter experts from around the world. This year’s Summit will feature two dynamic stages of speakers and a dedicated expo area, making it a must-attend for anyone invested in the future of rail security.

With 33 expert speakers, over 140 senior attendees, and 14+ industry-leading exhibitors, the Summit is designed to address the industry’s most pressing cybersecurity challenges and opportunities.
