MENTOR, OH, UNITED STATES,
November 12, 2024 /

EINPresswire.com/ -- [BonLeo](#) collaborators Bonnie Diczhazy and [Lenny Pinna](#) are introducing a new collection of t-shirts and totes that celebrate Candle Day with Candle Wear. Eclectic artist and screenwriter Lenny Pinna created six original paintings which are featured in the design as actual candle art. All of BonLeo's designs seek to connect people to a larger community with designs that are derived from original art. One such community is the global candle community which relishes the experience of finding fragrances that support their wellbeing and visual sensibilities.
