About Meadows Bank

Meadows Bank was founded in 2008 in Las Vegas, NV by several prominent Southern Nevada residents. Their collective vision was to focus on what's good for the people of Las Vegas, which would naturally lead to strengthening the local economy. They wanted to provide a full suite of lending and deposit products and services for the business community and citizens of the area, while also providing meaningful support to the community. Ultimately, their goal was to begin in Southern Nevada and expand to provide the same resources and support to Northern Nevada and Arizona as well, fostering continuous development and evolution of this territory into one of the best regions to live and work in the entire country.

Now, more than 15 years later, their legacy is thriving. Meadows Bank has successfully grown to \$1.2 billion in assets, with branches in Las Vegas, NV; Henderson, NV; Pahrump, NV; Reno, NV and Phoenix, AZ with Loan Productions offices in California, Oregon and Utah.
