

# Former NYPD Officer and Veteran Daniel Oh Launches Initiative to Raise Awareness on Safety and Security in Today's World

*Daniel Oh is a former NYPD officer and U.S. Army Reserve Staff Sergeant with extensive experience in law enforcement, community policing, and cybersecurity.*

NEW YORK, NY, UNITED STATES,  
November 13, 2024 /

EINPresswire.com/ -- [Daniel Oh](#), a decorated U.S. Army Reserve veteran and former NYPD officer, is launching a new initiative aimed at raising public awareness about safety and security challenges in today's digital and physical landscapes. Drawing from his extensive background in military and law enforcement and his expertise in cybersecurity, Daniel's mission is to educate communities on modern safety measures and foster a proactive approach to security.

Daniel Oh

In a world where threats have evolved from street-level risks to complex digital dangers, Daniel's initiative emphasizes the importance of community preparedness and digital literacy. The program will address key areas such as personal safety, cyber awareness, and effective community-police collaboration. Through public seminars, online resources, and community partnerships, Daniel aims to equip individuals with practical knowledge on staying secure in both their everyday lives and online.

"Safety today goes beyond physical security; it includes protecting our digital presence, understanding new threats, and taking steps to secure our communities together," explains Daniel. "My goal is to empower people with knowledge, so they feel confident navigating today's complex security landscape."

With his ongoing studies in cybersecurity, Daniel is particularly focused on highlighting the rise of cyber threats that impact individuals and communities alike. His program will cover crucial topics such as identity theft prevention, digital hygiene, and strategies for protecting personal and

financial information. Daniel believes that digital awareness is essential in today's world, where online scams and cyber attacks are increasingly common.

Daniel will also work closely with community leaders, local law enforcement, and veteran groups to organize workshops and training sessions. These events will emphasize the importance of both individual and community resilience in creating a safe and secure environment.
