WASHINGTON, DC, UNITED STATES, November 14, 2024 /

EINPresswire.com/ -- The [New Paradigm Institute](#) (NPI) issued the following statement after the U.S. House “Unidentified Anomalous Phenomena: Exposing the Truth” hearing on Wednesday, November 13, 2024:

Daniel Sheehan, Chief Counsel, New Paradigm Institute: “The New Paradigm Institute thanks Tim Gallaudet, Rear Admiral, U.S. Navy (RET.); Luis Elizondo, author and former Department of Defense official; Michael Gold, Chief Growth Officer, Redwire Corporation, and former National Aeronautics and Space Administration Associate Administrator; and Michael Shellenberger, Founder of Public, for their sworn testimony before Congress. Their testimony reaffirms the need for further Congressional hearings and legislative action.

“

The New Paradigm Institute will continue to educate the public about the reality of UAP and mobilize concerned citizens to demand the truth they are entitled to from the government.”

*Daniel Sheehan*

“Clandestine programs conducted by Executive Branch agencies and departments, hidden from Congressional oversight, to investigate, monitor, retrieve, and reverse

engineer technologies of unknown origin derived from nonhuman intelligence is antithetical to our democracy.

“The New Paradigm Institute applauds Representatives Nancy Mace (R-SC) and Glenn Grothman (R-WI), as well as other members of the U.S. House Oversight and Accountability Committee, for treating the UAP issue with the seriousness it deserves.

“Congress must continue to claw back its proper role as a check on the Executive Branch, hold more hearings, pass substantive whistleblower protections, and shine a light on long-hidden

secrets.

“The New Paradigm Institute will continue to educate the public about the reality of UAP and mobilize concerned citizens to demand the truth they are entitled to from the government.”
