

Villa Time by Tzu Cheng Huang Wins Bronze in A' Interior Design Awards

*Innovative Taiwanese Interior Design
Project Recognized for Excellence in
International Competition*

COMO, CO, ITALY, November 14, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced Villa Time by [Tzu Cheng Huang](#) as a Bronze winner in the Interior Space and Exhibition Design category. This prestigious award celebrates the most innovative and well-executed designs from around the world, highlighting the creativity and skill of leading designers and brands.

Villa Time's win at the A' Interior [Design Awards](#) is significant for the Taiwanese interior design industry, as it showcases the talent and innovation present in the country. The recognition also underscores the importance of thoughtful, user-centric design that enhances the functionality and aesthetics of living spaces, ultimately improving the quality of life for occupants.

Villa Time stands out for its dynamic design elements and seamless integration of spaces. The entryway features a striking combination of dark materials and stone skin paint, creating an intriguing sense of mystery. As the design flows into the interior, it emphasizes the spaciousness of the living and dining areas, which are open to each other to facilitate easy entertaining. The kitchen is also connected, promoting a seamless interaction between spaces.

The Bronze A' Design Award for Villa Time serves as an inspiration for Tzu Cheng Huang and their team to continue pushing the boundaries of interior design. This recognition may influence future projects and encourage further exploration of innovative materials, techniques, and

About Sole Wake Design

Sole Wake Design tells its main idea by the meaning of its name; no matter single-storey, multi-storey, and villa, each kind of space has the most simple appearance, its characteristics and the needs of owner are integrated into the space, to create the space in line with the use of demand and style for the owners through the design technique endowed "sole" appearance.

About Bronze A' Design Award

The Bronze A' Design Award recognizes interior designs that demonstrate a high level of creativity, practicality, and professional execution. Winners are selected based on their innovative use of space, material selection, functional layout, color scheme mastery, lighting design proficiency, and attention to sustainability, cultural relevance, ergonomics, and accessibility. The award acknowledges designs that have the potential to positively influence industry standards and enhance people's lives through their thoughtful development and implementation.

About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting superior design since 2008. Organized across multiple industries, the award welcomes entries from visionaries, leading agencies, innovative companies, and influential brands worldwide. By participating, entrants have the opportunity to showcase their creativity, gain global recognition, and be celebrated for their design excellence. The ultimate aim of the A' Design Award is to create a better world by highlighting and advancing outstanding products and projects that benefit society.
