is excited to announce a new partnership with Synchrony Bank and ServiceTitan that aims to enhance financing options for customers. This collaboration brings Synchrony's financial services into the ServiceTitan platform through the Complimentary Synchrony Finance program. This integration allows customers to easily access financial help directly while using ServiceTitan for their plumbing and HVAC projects.

Pride Plumbing Heating and Cooling

With the Complimentary Synchrony Finance service, customers can enjoy flexible financing options without any upfront costs, making it easier to manage expenses while receiving high-quality services from Pride Plumbing. This partnership also includes exclusive offers for new merchants, which adds even more value to the collaboration. Together, these features position Pride Plumbing Heating and Cooling as a leader in providing customer-focused home service financing solutions, making sure that customers can make informed decisions about their home improvement projects.

Key Features of the Partnership

This partnership introduces several valuable features designed to enhance financial flexibility and simplify transaction management for customers:

1. **Revolving Product:** Customers can make repeat purchases without needing to reapply for credit, providing flexibility for ongoing service needs.
2. **Network of Cardholders:** The system identifies customers and shows their available credit, simplifying transaction management.

3. Quick Connection to ServiceTitan: The setup process is straightforward, requiring no special permissions or configurations.
4. No Minimum Purchase Requirement: Customers can finance service jobs of any size, from small repairs to large installations.
5. Product Flexibility: Pride Plumbing can change promotions and project costs during the sales process, giving customers more options.
6. Strong Approval Rates: Pride Plumbing Heating and Cooling has strong approval rates for financing applications, which means customers can access funds easily without facing counter-offers on promotional offers.
7. One-Platform Funding: The entire financing process, from application to payment, is handled in one system, making it more efficient.

These features make it easier for customers of Pride Plumbing Heating and Cooling to manage their finances, allowing the company to focus on providing high-quality service.

Activation of Synchrony Financing for Merchants

Merchants working with Pride Plumbing Heating and Cooling who already have a Synchrony account can activate their financing options by sending an email with their Synchrony Merchant ID (MID) to their FinTech Account Manager at ServiceTitan. Activating this account allows them to use helpful financial tools that make it easier to manage their service expenses. Once everything is set up, these merchants can handle their financial needs for home service projects more efficiently.

Joining the Partnership for New Merchants

Pride Plumbing Heating and Cooling has gained many advantages from partnering with Synchrony and ServiceTitan. New merchants looking to benefit from this partnership can do so through an easy setup process that requires the following information:

1. Business tax ID
2. Phone number for text confirmation
3. Banking information
4. Principal owner's details (including SSN)

The setup is typically completed within 48 hours without the need for complex configurations or special permissions. If any merchants have questions or need help during the process, they can reach out to the Synchrony team for support.

Additionally, merchants who enroll in the Synchrony financing program between August 1, 2024, and November 30, 2024, complete the necessary dealer training, and submit two new credit applications will be eligible for a \$500 Visa Gift Card from Synchrony Bank. This offer adds even more value to the partnership with Pride Plumbing Heating and Cooling. Interested parties may begin the process by visiting <https://www.synchronybusiness.com/servicetitan>.
