"Koalas On Broadway," a theater-inspired artistic card game, hit its Kickstarter goal in record time, merging Broadway dreams with family-friendly gameplay.

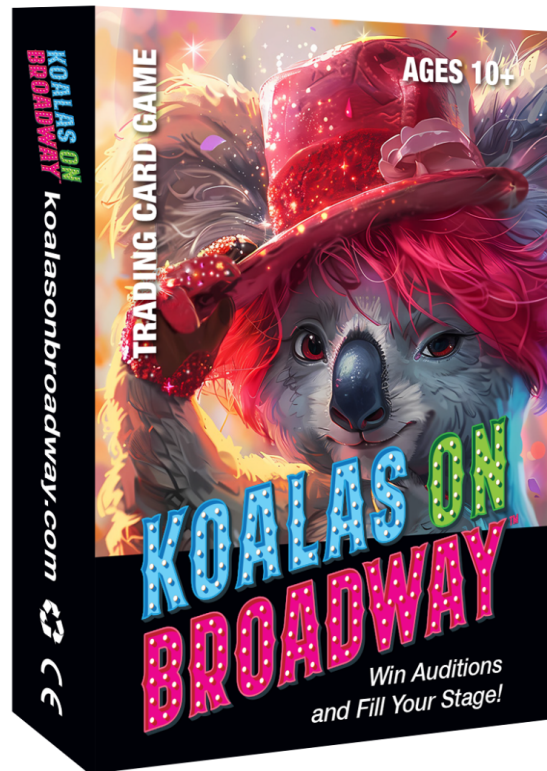

PAGOSA SPRINGS, CO, UNITED STATES, November 14, 2024 / EINPresswire.com/ -- The [Kickstarter](#) launch of Koalas On Broadway™ achieved a show-stopping debut by exceeding its funding goal within eight hours.

Creating an exciting card game that has great strategy, fun art, collectibility and plays out on a stage. This original card game, designed for theater enthusiasts and game lovers alike, celebrates the thrill of live performance with a whimsical cast of characters—all koalas ready to take center stage.

Adding a unique twist to the deck-building genre popularized by games like Magic: The Gathering and Pokémon, Koalas On Broadway introduces players to fun, theater-inspired art and gameplay mechanics.

This blend of Broadway flair with strategic deck-building gives theater fans a creative new way to enjoy the world of performance, inviting players of all ages to explore theatrical concepts through imaginative characters and entertaining gameplay.

Designed by David Henson, the game has a vibrant backstory: "Broadway actors flew to Australia. Evil Scientists stole Koala dreams. Their irradiated dreams machine exploded. There was a dreams transference. The result: Koalas On Broadway"
