

Aptus Home Services Partners with Dominion Energy to Offer Rebates on Energy-Efficient HVAC Systems

Aptus Home Services partners with Dominion Energy to offer Mount Pleasant homeowners up to \$500 in rebates on energy-efficient HVAC upgrades.

MOUNT PLEASANT, SC, UNITED STATES,
November 14, 2024 /

EINPresswire.com/ -- Aptus Home Services is excited to announce its partnership with Dominion Energy. It brings substantial savings to homeowners in Mount Pleasant and surrounding areas looking to upgrade to energy-efficient Heating, Ventilation, and Air Conditioning (HVAC) systems. Through this partnership, customers who install qualifying systems can earn a rebate of up to \$500, thanks to Dominion Energy's new incentives for eco-friendly [HVAC systems](#) upgrades in Mount Pleasant.

With energy costs on the rise and the climate becoming increasingly unpredictable, homeowners can benefit from advanced energy-saving technologies that not only reduce their carbon footprint but also provide substantial savings on utility bills. Aptus Home Services is here to guide customers in Mount Pleasant and surrounding areas through every step, ensuring they benefit fully from the Dominion Energy rebate program.

"Our partnership with Dominion Energy allows us to support South Carolinians in accessing advanced, high-efficiency HVAC systems at a lower cost," said Ervin Chase, Owner of Aptus Home Services. "It's an excellent opportunity for customers to increase comfort, lower energy bills, and make a positive environmental impact."

Dominion Energy's HVAC rebate is available for homeowners who purchase and install qualifying energy-efficient systems. To take advantage of this rebate, customers should: Include a detailed
