

Dr. Ken Gemlich Appointed Vice President of Homeland Security and Safety Management Programs

Veterans Day

MELBOURNE, FL, UNITED STATES, November 18, 2024 /EINPresswire.com/ -- [Madison Education Group, LLC](#) (MEG) and the Madison School of Professional Development (MSPD) are pleased to announce the appointment of Dr. Kenneth (Ken) Gemlich as head of the Homeland

Security and Safety Management certificate offerings. Dr. Ken served nearly 30 years in the United States Army. His first combat deployment was Desert Shield/Desert Storm. Among his other qualifications, Gemlich has earned a Doctorate in Business and a Masters in Homeland Security.

Dr. Gemlich comes from a long line of service members with family members serving in every major US conflict dating back to World War 1. Dr. Ken and his family maintain this tradition through to today.

Gemlich's wife served for nearly 14 years in the Army during which time the two met. Shortly after marriage the two even reenlisted together as husband and wife. Several years later the couple had a son who has been serving in the United States Army for nearly 10 years, and who also has been deployed to the Middle East.

Reflecting on the service of our nation's Veterans and the observance of Veterans Day, Dr. Gemlich stated that "Our countries Service members don't serve to get parades, they don't serve to receive discounts at stores or restaurants, they serve because they have pride in our country and serve to protect our Constitution and our way of life." Gemlich added that "As a Veteran myself, I can tell you the importance of thanking the millions of Americans who have served in the Armed Forces and who fought in the many wars this country has been involved in to defend the freedoms given to us by our Founding Fathers."

When asked about his vision for Homeland Security and Emergency Services Management professional development offerings at the Madison School of Professional Development, Gemlich emphasized the importance of the critical role that advanced training and continuing education credits are at all levels of government agencies, armed services, and emergency services providers. "These roles are vital to
