“

List For 1 Percent Has
Helped Over 1000 Sellers
Save Thousands In Fees.”

Ronnie Glomb

List For 1 Percent Realty believes that listing your home for the standard 6% fee other real estate brokerages charge is unnecessary and is no longer in the seller's best interest. Most people assume that you get less by paying less, when in fact, with List For 1 Percent Realty, it's the opposite. "Our clients are frustrated with the value proposition other real

estate agents present, which doesn't warrant the excessive fees they charge" says Ronnie Glomb.

Real Trends has named Ronnie GLomb a leading Real Estate Broker in New Jersey for over 10 years. He ranks in the Top 100 nationwide and is recognized as one of the country's most influential Real Estate Brokers.
