

Early Black Friday 2024: Smonet Smart Lock Now Available

As the holiday season approaches, there's no better time to upgrade home security with top-rated security door locks.

CA, UNITED STATES, November 15, 2024 /EINPresswire.com/ -- As the holiday season approaches, it's time to upgrade home security with smart [security door locks](#). This Black Friday and Cyber Monday, Smonet and Hornbill are offering up to 45% off on some of their best smart locks. These deals provide an opportunity to invest in innovative smart lock technology—at a fraction of the cost.

Smonet's M6 [Fingerprint Door Lock](#): Enhanced Modern Security

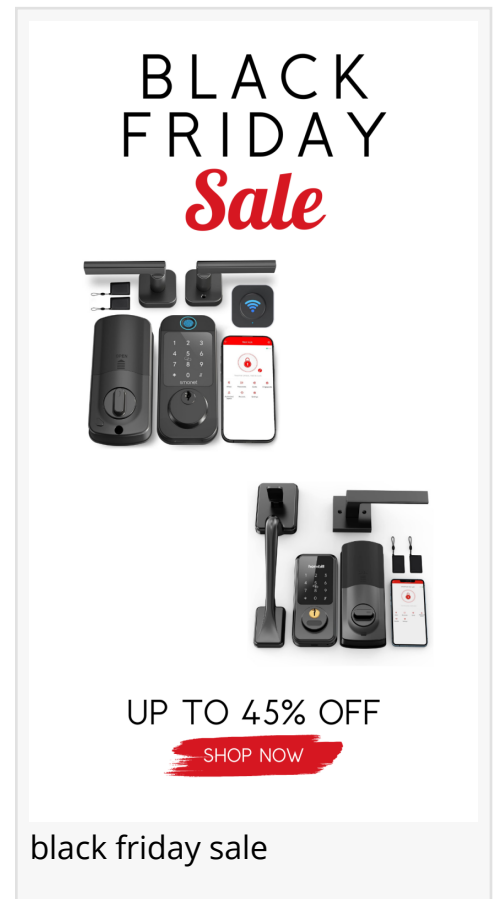

The Smonet M6 fingerprint door lock is designed for those who value both security and convenience. This smart lock offers multiple unlocking methods, including fingerprint recognition, app control, and even Alexa voice commands. With the ability to store up to 500 fingerprints, it's ideal for families, rental properties, or Airbnb hosts who need to manage access for multiple users.

Key Features of the Smonet M6:

1. Fingerprint recognition for fast, secure access
2. WiFi and app control for remote management
3. Alexa compatibility for voice-activated unlocking
4. Customizable access codes for guests and family
5. Real-time notifications for enhanced security
6. Easy installation with no locksmith required

Hornbill's M1 Front Door Locks

For those looking for a robust and versatile smart lock, the Hornbill M1 [Front Door Lock](#) is an excellent choice. This lock offers Bluetooth app control, allowing people to lock and unlock their door remotely. With the optional G2 gateway, users can even control the lock from anywhere in
