

# Dr. Peter Black's NoFear Delivers a High-Stakes Thriller

*Dr. Peter Black, renowned for his medico-political thrillers, returns with NoFear, the fourth book in the Dr. Duncan MacGregor series.*

GREATER LONDON, LONDON, UNITED KINGDOM, November 18, 2024 /EINPresswire.com/ -- [Dr. Peter Black](#), renowned for his medico-political thrillers, returns with NoFear, the fourth book in the [Dr. Duncan MacGregor series](#). In it, he delivers a tale of psychological intrigue, geopolitical scheming, and one woman's desperate fight to reclaim her freedom.

In this fast-paced thriller, readers are thrust into the heart of China's Three Gorges Dam, where Sophie Grainger, an American chemist on the brink of collapse, finds herself at the mercy of a government agent.

With the mysterious "Bupa" plant—an ancient herbal remedy capable of eliminating fear—Sophie is pulled into a web of high-stakes espionage, drug addiction, and international intrigue. She turns to Duncan MacGregor for help, and he and his team must now keep this product from destroying the world.

From the streets of Istanbul to the depths of the Black Sea, her journey is personal and political. But will Sophie's creation empower humanity—or become a weapon of mass manipulation?

NoFear explores timely themes, from the psychological toll of anxiety to the hidden dangers of pharmaceutical dependency. Dr. Peter Black's background in neuroscience shines through in the novel's exploration of mind-altering substances.

Today [No Fear](#) is officially published on Amazon, November 15, 2024.
