The SoberWitch.Life app serves as a beacon for witches navigating recovery from various challenges such as alcohol dependency, trauma, and toxic relationships. It stands apart by integrating The Witch's 13 Steps to Recovery, a magickal adaptation of traditional recovery steps, alongside rituals and affirmations. [Weekly Recovery Circles](#), held every Monday at 7 PM EST, offer witches a

supportive space to connect and share experiences, all without the distractions of social media algorithms.

Beyond the circles, the app's offerings include direct access to Sunshine, ensuring users have personalized support. "This app has completely transformed my recovery journey. It's not just an app; it's like having a coven in your pocket," shared one user. The addition of divination tools,

such as the Life Purpose Spread, further grounds daily practices in clarity and purpose, creating a holistic and empowering recovery experience.

Sunshine, a psychic medium and high priestess, developed the app after noticing a gap in recovery resources that catered to witches and those who align spiritually. "Many witches struggle to find support that honors their beliefs," Sunshine said. "I wanted to create a sanctuary that nurtures both sobriety and spiritual growth."

Key Features Include:

Weekly Recovery Circles: Live, supportive gatherings for real-time connection.

Custom Divination Tools: Resources to tap into intuition and guide healing.

Personalized Guidance: Direct communication with Sunshine for tailored support.

The app's unique approach has garnered glowing feedback from its users. "The weekly recovery circles and live sessions have become my lifeline. The energy, support, and magick that flow through this app are exactly what I needed to keep going," one user shared.

Available now on iOS and Android, the [SoberWitch.Life Mobile App](#) invites witches to reclaim their sobriety in alignment with their beliefs. To join this growing community and begin your journey, visit soberwitch.life.

Why This Matters Now: With a rising number of individuals seeking recovery methods that align with their spiritual paths, the SoberWitch.Life Mobile App stands as a pioneering solution for holistic healing.
