“

I have worked with numerous leading recruitment firms throughout my career, but Kaye/Bassman International truly stands out as the ideal partner for this next chapter.”

Edward Canning

his expertise in the life sciences sector, embodying a relentless commitment to excellence and a passion for aligning top-tier talent with visionary organizations. His impressive track record establishes him as a trusted advisor in the pharmaceutical, biotechnology, and medical device arenas.

Before joining Kaye/Bassman, Canning consistently achieved Pacesetter status since he launched his career in September 2012. Notably, in 2017, he earned the distinction of being the #1 worldwide recruiter in a prominent international recruiting network.

In his new role, Canning will spearhead the Regulatory Affairs recruiting practice as an esteemed member of the Pharma and Biotech team. Michael Pietrack, who leads the Pharma and Biotech division, stated, "Bringing Ed Canning onto our already formidable team represents a tremendous opportunity. His integrity and values align perfectly with our culture, ensuring we can deliver even greater service to our clients."

"I have worked with numerous leading recruitment firms throughout my career, but Kaye/Bassman International truly stands out as the ideal partner for this next chapter. Their unwavering commitment to integrity, collaboration, and exceptional service aligns seamlessly with my values and vision for excellence in regulatory affairs and executive search. I am eager to leverage my experience to enhance our offerings and support our clients in securing the specialized talent they need to excel in today's competitive life sciences market. I look forward to collaborating with a team equally dedicated to delivering outstanding results for our clients," says Edward Canning, Managing Partner of Kaye/Bassman's Pharmaceutical and Biotechnology practice.
