BOCA RATON, FL, UNITED STATES, November 18, 2024 /EINPresswire.com/ -- Boca West Children's Foundation is proud to honor local champions for children at its upcoming 15th Anniversary Gala, set for Saturday, January 18, 2025, at the Boca West Country Club. This milestone event will recognize community leaders whose extraordinary dedication has uplifted countless children in the community. Grammy Award-winning artist Wynonna Judd will perform at the event, promising a memorable evening of celebration, reflection and hope.

This year's honorees include:

- Avron and Wendy Fogelman of Boca Raton, recipients of the Golden Heart Award. Renowned for their leadership and extensive philanthropic contributions in Palm Beach County and beyond, the Fogelmans have driven significant initiatives in education, healthcare and community building. The Fogelmans were instrumental in the development of Boca West Children's Foundation, helping it grow to the impactful organization it is today. Locally, they also support Florida Atlantic University and Boca Raton Regional Hospital generously, highlighting their dedication to advancing opportunities for youth and fostering strong communities.
- Marilyn and Jay Weinberg of Boca Raton, who will be honored with the Legacy of Love Award. Long-time supporters of Boca West Children's Foundation, the Weinbergs have been an invaluable force behind the organization's success and impact in the community. Mrs. Weinberg's visionary leadership brought to life one of the group's most celebrated events, An Evening with Jay Leno in 2020. The couple's enduring support has enabled Boca West Children's Foundation to
