

SEIDOR Opentrends to Participate at Major Industry Conferences

SEIDOR Opentrends Spotlights Innovation in Banking and AI at BIAN Summit London and SCIP IntelliCon Barcelona

PALO ALTO, CA, UNITED STATES, November 19, 2024 / EINPresswire.com/ -- SEIDOR Opentrends, a leader in digital transformation solutions, announces that it will participate in two prestigious industry events, reinforcing its commitment to innovation in [banking](#) and [artificial intelligence](#).

BIAN Banking Summit 2024
Nov 19-20, 2024 London, UK

SEIDOR Opentrends will join industry leaders at the BIAN Banking Summit 2024 in London, UK (November 19-20, 2024). The summit is a crucial platform for discussing the future of banking architecture and digital transformation strategies. SEIDOR Opentrends experts will share insights on banking modernization and implementing BIAN standards for enhanced operational efficiency.

These events showcase SEIDOR Opentrends' expertise in banking modernization and AI. Connect with us to drive your digital transformation."

Xavi Buscalla, CEO of Opentrends Inc.

SCIP Data-Driven Intelligence in CI and the Intelligence EcoSystem
Dec 3-5, 2024 Barcelona, Catalonia

In a keynote presentation at SCIP IntelliCon Barcelona 2024, SEIDOR Opentrends' industry leader Anselm

Bossacoma will address the transformative power of Cloud AI in modern business. His session, "Driving Innovation with AI: Transform Data into New Business, Products, and Revenue Streams,"

The graphic is a promotional poster for the BIAN Banking Summit 2024. It features the BIAN logo (Banking Industry Architecture Network) and the event title 'BIAN BANKING SUMMIT 2024' in large, bold, yellow and white text. Below the title, it states '19-20 November London, UK'. The SEIDOR Opentrends logo is prominently displayed at the bottom left. On the right side, there are two portrait photos of speakers: Xavi Buscalla, CEO of Opentrends Inc., and Charles Roca, a Banking & Finance Expert at SEIDOR Opentrends. The background is a dark blue with a blurred image of a person.

Join SEIDOR Opentrends at the BIAN Banking Summit 2024 in London, November 19-20, to explore the future of banking modernization and digital transformation

will explore practical approaches to leveraging AI for tangible business outcomes.

The presentation will focus on:

- Enterprise-wide AI integration strategies
- Cloud AI implementation for scalability and security
- Case studies of successful AI deployments
- AI's role in strategic decision-making

"These conferences represent prime opportunities for industry professionals to engage with SEIDOR Opentrends' expertise in banking

modernization and AI implementation," said Xavi Buscalla, CEO at Opentrends Inc. "We invite attendees to connect with our team to explore how our solutions can drive their digital transformation journey."
