A Conceptual Masterpiece

Each track on APEX PREDATOR carries the same title, followed by Roman numerals (I, II, III, IV, V), reflecting different facets of an apex predator's existence, both thematically and musically.

- Track I: This is the "family reunion" of Renegades Worldwide, bringing together Honey-B-Sweet (Australia), King Marino (Atlanta, GA), Slim Spitta (Houston, TX), and Fega Michaels (Nigeria). Featuring Jodie B (Canada) on the hook, this track explores regional apex predators and sets the tone for the EP with dynamic beats and lyrical prowess.

- Track II: Featuring heavy spitters Joseph O (UK) and the returning Hal Jordan (Switzerland), this track takes listeners into the prehistoric world of apex predators. "This one is no joke," says The Five1Hero. "I wanted raw energy and unapologetic bars to carry this track."

- Track III: A bold instrumental break, this track leans into bass-heavy beats, layered with the unsettling sounds of an apex predator crunching through bones. It's a sonic palate cleanser that keeps listeners on edge.

- Track IV: Introducing the talented female power houses, Sparrow the Dev (Nigeria) and Hollyhood Tay (Los Angeles), this track also highlights the return of Mica Franco (Argentina), who delivers her first-ever verse alongside her vocals. Described by The Five1Hero as a fresh take on R&B, the track examines the perspective of prey in the predator's world.

- Track V: Featuring the Trinidadian Prophet, Micwise (Trinidad and Tobago), the return of

Sparrow the Dev (Nigeria), in her rap form, and Profess (Trinidad and Tobago), alongside the EP's closer Maya Miko (UK), this track focuses on humanity as Earth's ultimate apex predator. With its introspective theme and intense delivery, it's a fitting end to the EP.

New Voices, Same Vision

The EP brings back seven of the nine original emcees and two vocalists from Global Domination, while introducing five new emcees to the collaboration. The result is a diverse lineup of talent that bridges continents and styles, showcasing the global influence of Renegades Worldwide.

A Return to Form with a Twist

"I wanted this project to be a return of the collab but in a different style," explains The Five1Hero. "Trap and bass beats with serious bars from these rappers. Each returning artist from Global Domination has one feature. It's a good mini follow-up project that was long overdue."
