

# Allstream Energy Partners Announces participating in 2024 API Fall Refining and Standards Meeting as Media Sponsor

*Oil and Gas Marketing and Digital Media Company and Magazine Allstream Energy Partners to support API 2024 Refining and Standards Meeting*

HOUSTON, TX, UNITED STATES,  
November 18, 2024 /

EINPresswire.com/ -- Allstream Energy Partners, a leading digital marketing and communications company in the Oil and Gas industry, is thrilled to announce its participation as a media sponsor for the [API Refining and Standards Meeting 2024](#). The annual event, set to take place in Dallas, TX, provides a premier platform for industry professionals, policymakers, and technical experts to gather, exchange knowledge, and discuss the latest advancements and best practices in refining and standards.

“

We are thrilled to support the API as a media partner and share the great innovations that the industry is implementing to keep our people and infrastructure safe.”

*Efrain Garcia, CEO &  
Publisher*

As a media sponsor, Allstream Energy Partners will utilize its expertise in media coverage and press perspectives to support and enhance the API Refining and Standards Meeting to share the innovations that leads the energy industry. The company will extensively promote the event prior to its commencement and provide exceptional media coverage during the meeting. Allstream Energy Partners' newly established publication, Allstream Insiders, will play a crucial role in highlighting and showcasing the positive initiatives undertaken by the industry to maintain the safety of asset infrastructure.

Through this media sponsorship, Allstream Energy Partners aims to amplify the visibility of the

API Refining and Standards Meeting, attracting increased participation from industry professionals and stakeholders alike. By leveraging their extensive network and resources, the company will ensure the event receives a broader reach, facilitating engagement and fostering collaboration. Furthermore, as a media partner, Allstream Energy Partners is committed to thought leadership, engaging in insightful discussions, contributing to the development of industry standards, and sharing best practices within the Oil and Gas community.

Allstream Insiders, as a newly formed publication, will serve as a powerful platform to highlight the positive impact the Oil and Gas industry is making in maintaining safe asset infrastructure. By showcasing the industry's efforts and achievements, Allstream Energy Partners aims to inspire continued collaboration and encourage innovation for a sustainable future.

"Allstream Energy Partners' decision to join API Refining and Standards Meeting 2024 as a media partner underscores our unwavering dedication to advancing and ensuring the safety of the Oil and Gas industry," said Efrain Garcia, CEO at Allstream Energy Partners. "Through our extensive media coverage and the platform provided by Allstream Insiders, we are committed to shedding light on the positive initiatives undertaken by the industry and fostering a sense of unity within our community."
