“Our partnership with AmSpa is a natural extension of our mission to help aesthetic providers succeed in an increasingly competitive market,” said Lori Werner, Founder of Medical Marketing Whiz. “We understand the unique challenges and opportunities within the aesthetics industry, and we are excited to empower AmSpa members with the tools and strategies they need to

connect with patients, build their brands, and achieve sustainable growth.”

With over a decade of experience in the aesthetics and anti-aging space, Medical Marketing Whiz has helped hundreds of medical spas and aesthetics practices thrive by combining cutting-edge digital marketing techniques with a deep understanding of patient behavior. From search engine optimization (SEO) and social media management to email campaigns and event marketing, Medical Marketing Whiz provides personalized solutions designed to drive real results.

Why This Partnership Matters for Aesthetic Providers:

Aesthetic medicine is a fast-evolving field, and standing out requires more than just offering innovative treatments. Practices must also excel at reaching and engaging patients online, building trust through social proof, and maintaining a consistent brand presence across platforms. Through this partnership, AmSpa members gain access to industry-leading expertise that can help them elevate their marketing and become the go-to provider in their communities.
