CLINTON, MA, UNITED STATES,  
December 10, 2024 /

EINPresswire.com/ -- J.T. Maxwell is a talented author whose remarkable works have gained significant appraisal from readers around the world. J.T. is the proud recipient of multiple prestigious awards, including the International Impact Book Award and now The Fall 2024 BookFest® Award. His works have deeply connected with audiences, and have earned him a devoted fan base.

J.T. Maxwell

His debut novel, "Red Brick Road," is a bold re-imagining of the classic Wizard of Oz tale. When a freak blizzard throws Brendon Connor into a surreal reality, he must navigate unfamiliar territory and confront his deepest flaws. Filled with crude humour, violence, and irreverent twists, this literary fantasy is a tribute to old

technology and new ideas. Beneath the chaos, however, lies a valuable lesson about being a good human in a broken world.

“

I'm a storyteller. I always have been. I wonder about the origins of stories, side characters, scenes that leave you questioning, scenarios that make you wonder how you'd behave, or what you'd think.”

The BookFest® honors authors who create outstanding works of fiction and nonfiction. Their mission is rooted in the belief that literature has transformative power and, in a desire to support and celebrate those who create it.

When asked about his inspiration for writing, J.T. shared, "I'm a storyteller. I always have been. I wonder about the origins of stories, side characters, scenes that leave you

questioning, scenarios that make you wonder how you'd behave, or what you'd think. Why some people and characters make the choices they make...there's no right or wrong to it; it's purely

choices and outcomes. We do it in everyday life, but to build a world around something to examine differently, and then ask those questions there...I love that opportunity. I want to create more stuff that's entertaining that'll make you laugh, and maybe just make you think about something differently."

J.T. is working on his next novel, and will finish up the audio book for Red Brick Road, "if life ever calms down," he said. J.T.'s married, has two teenage sons, a full-time job as a teacher, "and trying to have something resembling a life," he added.

J.T. Maxwell continues to inspire and entertain through his storytelling. For more information about J.T. and his work, or his publisher, visit:
