Honoring Mike Rawls, CEO Xome Holdings
LLC*

NEW YORK, NY, UNITED STATES,
November 19, 2024 /
EINPresswire.com/ -- The Samuel
Waxman Cancer Research Foundation
(SWCRF) is excited to announce its 27th
Annual Collaborating for A Cure Gala,
taking place on Thursday, November
21, 2024, at Cipriani Wall Street in New
York City. This year's star-studded
event will feature a special musical
performance by Tedeschi Trucks
Fireside Live with a very special guest.

"We are thrilled to welcome back
Tedeschi Trucks Fireside Live. Their
incredible talent and commitment to
giving back make them the perfect fit
for our event," said Michael
Nierenberg, chairman of the SWCRF
Board of Directors. "As we celebrate
our 27th year, we remain dedicated to
funding world-class research that leads
to better treatments and, ultimately, cures for cancer once and for all."

Known as one of New York City's most anticipated fundraising events of the year, The Waxman gala brings together leaders from business, fashion, philanthropy, and entertainment to support groundbreaking cancer research. This year's honoree is Mike Rawls, chief executive officer at Xome Holdings LLC. Rawls will receive the 2024 Distinguished Business Leader Award for his

steadfast commitment to supporting cancer research.

The Samuel Waxman Cancer Research Foundation, founded in 1976, is committed to finding cures through its pioneering "Institute Without Walls" program, which fosters collaboration among leading scientists worldwide to accelerate the pace of research and bring new treatments to patients faster. Funds raised at the annual event directly support the SWCRF mission to eradicate cancer through innovative research aimed at developing less toxic, more effective treatments.

About the Samuel Waxman Cancer Research Foundation (SWCRF):

The Samuel Waxman Cancer Research Foundation is an international organization dedicated to curing and preventing cancer. The Foundation is a pioneer in cancer research and its mission is to eradicate cancer by funding cutting-edge research that identifies and corrects abnormal gene function that causes cancer and develops minimally toxic treatments for patients. Through the Foundation's collaborative group of world-class scientists, the Institute Without Walls, investigators share information and tools to speed the pace of cancer research. Since its inception in 1976, the Samuel Waxman Cancer Research Foundation has awarded more than \$120 million to support the work of more than 200 researchers across the globe.
