HOUSTON, TX, UNITED STATES, November 18, 2024 /EINPresswire.com/ -- [Bridge The Gaps](#), a non-profit 501(3)(c) organization, assisting underprivileged, lower-income, minority, and at-risk students by reconnecting their cultural, emotional, mental, and educational gaps, has released its [2025 Donation Prospectus](#).

The 2025 Donation Prospectus provides a detailed overview of Bridge The Gaps Programs and their direct impact on local communities, in high-risk schools, and with our underprivileged students. The Donation Prospectus also outlines opportunities for potential donors and how resources are allocated within each program with a review of current program initiatives.

“We created the 2025 Donation Prospectus because as a younger non-profit, we wanted to be fully transparent in how partner donations were utilized and making a difference with our students,” said [Omar Durham](#), President, and Founder, of Bridge The Gaps.

“We know we couldn’t have come this far without our partners and the Donation Prospectus helps them truly see their impact in the community through Bridge The Gaps,” Durham adds.
