EINPresswire.com/ -- For the 6th year, [the Swing Tones](#) match their vocal jazz fusion big band sound to the great tunes performed by Dean Martin, Frank Sinatra and Sammy Davis, Jr. in their [Rat Pack Holiday Tribute](#) Show. An excellent addition to the season, the tribute brings to life class holiday favorites such as "White Christmas" and "Santa Baby," along with the iconic melodies like "I Love Paris," "Fly Me To The Moon," "Bojangles" and more.

“

It's one thing to tribute the Rat Pack," said Aaron Jacobs, "but we add our vocal jazz harmonies to their timeless songs, jokes, and camaraderie, guaranteeing an unforgettable experience!"
