Technologies, Inc. has been awarded a San Diego Union-Tribune Top Workplaces 2024 honor for the fifth year in the midsize category of 150-499 employees. As in previous years, TrellisWare also achieved Top Culture Excellence Badges in "Meaningful Work" and "Work-Life Balance" for 2024.

The Top Workplaces list is based solely on employee feedback from a third-party survey administered by employee engagement technology partner Energage LLC. The confidential

survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.
