[Lending](#), a leading national mortgage lender, servicer, and asset manager, has expanded its footprint in Spanish Fork, Utah, with Branch Manager Maralee Jensen, (NMLS ID#218299) and her team, including Mortgage Loan Officer Dan Barber (NMLS ID#1646395) and Mortgage Loan Assistant Richard Phan. The team is licensed in Utah, Idaho and Arizona.

Jensen brings more than 40 years of mortgage industry experience and Barber, who is fluent in Spanish, joined the team more than seven years ago.

They have experience helping homebuyers and homeowners make the most of conventional, FHA, VA, USDA, jumbo, construction and manufactured housing home loans. Known for their commitment to clients, Jensen and Barber have developed long-term, multi-generational relationships within their community.

Both Jensen and Barber also have extensive experience providing divorce mortgage services and support clients who are making complex financial decisions. "We take the time to help our clients consider their future from multiple perspectives," she explained. "Questions like, 'will you be the departing spouse from the residence or remain in the residence?' and 'is there a home equity line on the property?' or 'what is your next real estate goal' to prompt them to consider the lasting impact of their choices."

"Maralee and Dan have carved a strategic niche in the Mountain States, building a reputation for financial education, mortgage excellence and exceptional service," said John Bosley, President of Planet Home Lending, Mortgage Lending. "We are excited to welcome them to the Planet family and look forward to supporting their invaluable work within their community."
