

# Durham School Services Donates Buses to the All-American Boys Chorus for Transportation to Concerts & Activities

SAN BERNARDINO, CA, UNITED STATES,  
November 19, 2024 /

EINPresswire.com/ -- Durham School Services, a student transportation leader dedicated to giving back to their communities, has donated three buses to the All-American Boys Chorus to transport the choir and their equipment to concerts, field trips, and other activities. The buses will be delivered in the coming weeks just in time for the holiday concert season.

These buses were donated as part of Durham's community outreach program, Partners Beyond the Bus. The program aims to become a partner of the community beyond its main role of transporting students to and from school safely, reliably, and on time. Our San Bernardino team has served the community for over a decade and looks forward to continuing to support the community.

“

Traveling together on a bus is an incredible experience that allows for bonding and building camaraderie...This incredibly generous bus donation will allow us to keep that tradition alive.”

*Aaron Cassaro, CEO, All-American Boys Chorus*

“Surprising as it may sound, having a bus has been a core element of the All-American Boys Chorus' identity for decades,” said Aaron Cassaro, CEO, All-American Boys Chorus. “Traveling together on a bus is an incredible experience that allows for bonding and building camaraderie, as well as simple efficiency. This incredibly generous bus donation will allow us to keep that tradition alive, as we use these vehicles to transport members to concert performances throughout southern California, as well as to our summer camp, Leadership Summit, and several other events throughout the year. Everyone here at the All-American Boys Chorus could not be more grateful

to Durham School Services for helping to keep this dream alive and thriving!”

“The All-American Boys Chorus is an admirable organization that nurtures character, confidence, and talent through music while also helping each child develop and find their individuality and voice. This is why it is a great feeling to know that these three donated buses will have a hand in creating unforgettable bonds, new memories, and experiences for the members of the chorus while they travel together to their concerts and events,” said Tim Wertner, CEO, Student Transportation Division in North America, National Express. “The dedication of our teams to uplift and positively impact the communities in which they serve is unmatched. I am proud and lucky to be part of a team and Company that values and prioritizes giving back to their communities.”
