

New Thriller 'Jubilee: The Day Everyone Was Free' Explores America's Economic Collapse with a Gripping Storyline

Michael Anderson's debut adult fiction novel takes readers on a tense journey of corruption, resilience, and unexpected solutions.

ENDICOTT, WA, UNITED STATES, November 20, 2024 /EINPresswire.com/ -- A nation on the brink of collapse. A currency under siege. A world held hostage by greed and corruption. These conditions form the background of [Michael Anderson's](#) debut novel, *Jubilee: The Day Everyone Was Free*. With runaway government spending, political polarization, and a population overwhelmed by personal debt as the backdrop, Anderson crafts a pulse-pounding thriller that doubles as a thought-provoking exploration of America's economic vulnerabilities.

[In *Jubilee: The Day Everyone Was Free*](#), readers are introduced to Gordon Mendelson, a retiring Secret Service agent whose final mission takes an unexpected turn. Tasked with investigating a routine missing person's case, Mendelson stumbles upon an alarming secret: the world's largest counterfeiting operation. Billions of counterfeit dollars begin to flood the U.S. economy, threatening to destabilize the nation. The fallout is immediate and catastrophic: commerce halts, mobs flood the streets, and trust in the American dollar plummets.

Faced with the chaos, Mendelson must race against time to unravel the conspiracy, save those he is assigned to protect, and discover who is behind the attack on the economy. Packed with action, intrigue, and a surprise ending, *Jubilee* forces readers to confront the economic fragilities we often take for granted—and consider one bold solution that could change everything.

A Thrilling Way to Explore Real Issues

Anderson's unique background as a military officer, educator, and journalist lends authenticity to

Michael Anderson

the story's themes of inequality, national debt, and the polarization of modern politics. The result is a riveting narrative that entertains while prompting critical thought about world affairs.

"This novel offers a painless, entertaining way to look at economics and explore possible solutions to some of today's most pressing issues," said Anderson. "Through Gordon Mendelson's journey, readers will find themselves questioning how we might address our financial and political challenges as a society."

About the Author

Michael Anderson brings a wealth of life experience to his storytelling. As a world traveler and student of history, he has observed firsthand the complexities of societal systems and the consequences of economic instability and inequality. His career has taken him from classrooms to newsrooms, where he honed his skills in analysis and narrative-building—skills that are on full display in *Jubilee: The Day Everyone Was Free*.

When he's not writing, Anderson enjoys hiking, traveling, and spending time with his grandchildren. He splits his time between the tranquil landscapes of Eastern Washington and the striking deserts of Utah, both of which inspire his creative work.

“

Jubilee isn't just a story—it's a wake-up call. Through a gripping thriller, it challenges readers to confront the economic vulnerabilities we ignore and imagine bold solutions for change”

Michael Anderson

Critical Themes in a Captivating Format

Jubilee isn't just a thriller; it's also a meditation on some of today's most pressing challenges. The novel tackles issues of national debt, corruption, and economic inequality through the lens of a fast-paced, character-driven story.

At its core, *Jubilee* invites readers to examine a provocative question: If the current system is broken, what would it take to fix it? Anderson doesn't shy away from exploring unconventional ideas, weaving them into an engaging narrative that leaves the reader pondering unexpected

possibilities.
