My Christmas Blanket, by Eliana Grace

the first Christmas Eve, Eli-Ana encounters Mary and Joseph as they search for shelter in the snow. What unfolds is a beautiful act of kindness when Eli-Ana offers the first “Christmas blanket” to the newborn Jesus, creating the story that captures the spirit of the season. This touching story is one that parents and grandparents will want to share year after year, setting the perfect tone of generosity and love for the Christmas season.

In collaboration with Eliana Grace and her heartwarming new book, *My Christmas Blanket*, Minky Couture has designed a special blanket that brings the story’s warmth and love to life. This unique partnership invites families to create a cherished tradition—snuggling up together while sharing a Christmas story. It’s a meaningful way to add extra magic to the holiday season and create lasting memories for years to come.

Inspiration Behind the Book

Eliana's empathy sparked the creation of *My Christmas Blanket*. Last Christmas season, she wondered about the stable where Jesus was born and hoped he was warm. Her love of storytelling and desire to encourage kindness toward those in need came together in this heartfelt tale. Through her book, Eliana Grace hopes to inspire readers to remember the less fortunate during the holidays, share the love of Christ, and promote healing through acts of charity in a world that has faced division this year.

Giving Back to Others

Driven by her passion for helping others and the message in her book, Eliana has chosen to donate 10% of My Christmas Blanket's proceeds to provide school lunches for children in need. Inspired by friends with single parents who work tirelessly to make ends meet, Eliana hopes her book will make a meaningful impact in their lives. She envisions My Christmas Blanket not only supporting physical needs but also offering emotional comfort, reminding readers how acts of charity can renew the spirit and bring healing to a world that has experienced much turmoil this year.
