

NightRide Thermal to Exhibit Vehicle-Mounted Thermal Cameras at SHOT Show 2025 in Las Vegas

BROOKLYN, NY, UNITED STATES,
November 20, 2024 /

EINPresswire.com/ -- [NightRide Thermal](#) is thrilled to announce its first exhibition at the [SHOT Show 2025](#), the world's leading trade show for shooting, hunting, and outdoor industries. From January 21-24, 2025, NightRide will debut its range of vehicle-mounted thermal cameras, providing SHOT Show attendees with a firsthand look at its innovations in thermal technology for low-light and nighttime visibility. Attendees can find NightRide at Booth #40967 on Level 1 of the Venetian Expo in Las Vegas.

“

We're proud to make our debut at SHOT Show 2025, introducing NightRide to the public safety and hunting communities. Our cameras are professionally crafted to deliver enhanced visibility and safety.”

Mary Ellen Kramer, CEO

advanced imaging capabilities. This device, tailored to hunters, law enforcement, and security professionals, offers unmatched nighttime vision, bringing a new level of security and precision to any situation.
