---

*As the winter season approaches, homeowners in Memphis, TN are reminded of the importance of maintaining their roofs.*

MEMPHIS, TN, UNITED STATES, November 20, 2024 /EINPresswire.com/ -- With the extreme cold and unpredictable weather, it is crucial to ensure that a roof is in good condition to protect the home and family. HomeFocus Roofing, one of the existing [roofing companies in Memphis](#), TN, has shared 5 signs that indicate a roof needs attention.

The first sign to look out for is missing or damaged shingles. Shingles are the first line of defense against the elements and any missing or damaged shingles can lead to leaks and water damage. Homeowners should regularly inspect their roofs for any signs of missing or damaged shingles and have them replaced immediately.

Another sign that a person's roof needs attention is the presence of water stains on the ceiling. This is a clear indication of a leak in the roof and should not be ignored. HomeFocus Roofing recommends addressing the issue as soon as possible to prevent further damage to the home. It's good to talk to [roofing contractors in Memphis, TN](#).
