

# The GOD'S CHILD Project's ServiceTeam Experience Trips For 2025 To Guatemala Offer Life-Changing Opportunities

*GLOBAL ORGANIZATION SEEKING PARTICIPANTS TO HELP THEM MAKE A DIFFERENCE, SHARE JOY AND BUILD HOPE FOR UNDER-SERVED PEOPLE IN GUATEMALA*

MINNEAPOLIS, MN, UNITED STATES,  
November 20, 2024 /

[EINPresswire.com/](https://www.einpresswire.com/) -- The GOD'S CHILD Project, a global organization dedicated to breaking the chains of poverty and providing housing, healthcare, education, and sustainable development to those in need, announced today the launch of its 2025 ServiceTeam Experience trips to Guatemala. The organization is actively recruiting individuals, schools, churches and communities to be a part of transformative projects that not only provide physical support, also bring hope and dignity to families striving for a better future, but making a lasting difference in impoverished areas.

A Doctor Giving Medical Care

“

The mom just hugged me so tightly for so long and I could feel her joy.”

*former volunteer K. Herrick*

For over 30 years, The GOD'S CHILD Project, a non-denominational nonprofit, has empowered children and families to Transform their Lives through sustainable development including education, community-based health, housing, and job creation. The organization's ServiceTeam Experience provides participants with the unique opportunity to immerse themselves in meaningful

service while also experiencing the vibrant culture of Guatemala.

Participants will engage in hands-on humanitarian work, fostering leadership skills and a deeper understanding of global challenges resulting in transformational learning experiences. Teams

bond as they unite to change lives, creating a ripple effect of compassion that extends beyond the trip and results in strengthened communities. Whether constructing a home, assisting in classrooms, or working at Casa Jackson Hospital for Malnourished Children, participants witness the immediate impact of their efforts.

“From bus rides filled with laughter to the joy of playing with children, every moment was unforgettable. Building a home and seeing the gratitude of the family was life changing. It was a journey filled with hard work, incredible people, and unforgettable moments. I am grateful for the opportunity, and it has left me with memories and lessons that I will carry for the rest of my life.” said A. Brown, former Student Volunteer.

The GOD'S CHILD Project has successfully collaborated with numerous schools across the US, allowing students to make a tangible difference in the lives of others. The organization's programs are well-regarded for their positive impact on both students and the communities they serve, and each school can tailor the itinerary to specific needs and objectives.

“Presenting the house to the family at the home build and hearing their words of appreciation and how this is a dream come true for them was the most memorable part for me. When the dad spoke, he thanked us for giving his children a chance in life. The mom just hugged me so tightly for so long and I could feel her joy.” said former volunteer K. Herrick.

The GOD'S CHILD Project offers end-to-end safety and support, streamlining the experience from pre-trip planning to on-the-ground logistics. Experienced staff handles all logistics including accommodations, transportation, meals, and activities, ensuring that every detail is meticulously managed.

Former participant J. Darling said, “This was an amazing trip. I appreciated not only the opportunities for volunteering but also the opportunities for learning and exploring. The staff is incredible and always went above and beyond to support us and they all made this experience so wonderful.”

Space is limited so interested students, families, or community groups interested in joining a service trip to Guatemala in 2025 should act quickly to enjoy the opportunity to inspire, educate, and transform. About The GOD'S CHILD Project (GCP)

The GOD'S CHILD Project (GCP) was founded on April 24th, 1991. GCP, through its international

nonprofit network, has reached deep into some of the poorest, most dangerous parts of our world to bring hope and aid to hundreds of thousands of people.

The four pillars of GCP's mission and service are its award-winning housing, healthcare, education and sustainable development programs.
