

Zil Money's Referral Program Offers High Multi Level Commission

TYLER, TX, UNITED STATES, November 21, 2024 /EINPresswire.com/ -- [Zil Money](#), a top B2B payment platform, offers a [multi level referral program](#) for bloggers and marketers to earn regular income. Users can earn a 50% commission on the first payment from each referral, 5% of their monthly subscription for up to 12 months, and additional earnings from a six level referral network.

Participants can earn a 50% commission on their initial referral. For subsequent referrals, they receive commissions as follows: 16% for the first level, 8% for the second, 4% for the third, 2% for the fourth, and 1% for the fifth. Moreover, participants can earn 2% commissions on credit card processing fees (5.9 basis points) from transactions made by their referrals. With credit card users rising by 50% each month in the platform, credit card related content can attract good returns on blogging efforts.

When Participant A refers Participant B, they earn a 50% commission on Participant B's initial payment. If Participant B further refers Participant C, Participant A will receive a 16% commission on C's transactions. The structure continues for up to five levels, with commissions distributed as follows: 8% for the second level, 4% for the third level, 2% for the fourth level, and 1% for the fifth level. This system incentivizes participants to build a referral network for ongoing earnings. This same structure applies to plans offering 2% and 5% commissions, ensuring flexibility and consistent rewards across all tiers of referrals.

With multiple earning opportunities, participants can build a steady income as their referral network grows. As more people join and transact, income potential grows along with promotion. This growing network benefits everyone, creating a win-win situation.
